② AURORA FOREST [running time for a show : about 4 minutes]

A world of mystical colors. A glow of the grand sky, and shining forest in seven colors.
We create an amazing aurora world in the sky that uses the latest laser technology.

NEW

A Dazzling Waterfall

After you walk through the bamboo forest of Light, you can see a dazzling waterfall.
It creates the story of headstream and great nature fantastically.

HORSE EVENTS

Because here is Oi racecourse, cute horses are appeared everyday!!
You are permitted to use cameras and cellphones in MEGA ILLUMI.
You will be healed by kind horses.

🐾 Miniature Horse & Pony

Miniature Horses have body height 85cm or less.
Ponies have body height 147cm or less.
Cute horses dressed up with ribbons and hats will be waiting for you.

🐾 Lead Horse

They lead the way for racehorses in races.
They used to be racehorses.
Beautiful coat and movement!!

🐾 Horses are cowardice and sensitive. Keep in mind the following points.

- ① Don't make horses surprised by loud noises, loud voices, or jumping nearby.
- ② Horses are not good with instantaneous light, so please don't use the camera's flash function.
- ③ Please do not stand behind horses as you might get kicked.
- ④ Please do not touch horses' eyes, ears and around mouths.
